Print Documents

(You will not print for this scenario; the instructions are provided for your information).

1. Select the **Voters Registration Form**
2. Click the **Preview Button**
3. Select the **Printer Icon** at the top of the page to print the document.

KEYPOINT: Once the applicant completes the form, it should be filed by month of service and kept on file for 2 years. (If you are not aware of this process, check with your WIC Coordinator).

Move to **eWIC Card Account Maintenance**.

eWIC Card Account Maintenance

1. Access the **Benefits file menu** at the top and select **eWIC Card Account Maintenance**.
2. Select the **Head of Household** row in the **EBT Accounts** grid, then click the **Account Setup button**.
3. Enter the last 8 digits of the **EBT card number** and verify by re-entering the same number.
4. Click the **Submit** button.

Field	Value
Card Number	Enter assigned number

KEYPOINT: Normally at this point, the Frontline Staff are done working with the household. They will pass the household along to the CPA to continue with the certification process. If you complete additional data at your agency, such as Lab Data, refer to your WIC Coordinator for direction.

I-WIC Training – FRONTLINE

Scenario 2: Recert Child – 30 Day Cert

Mom walks in today to get her child back on WIC. She has proof of address and identity but not her income information.

Since mom does not have her proof of income today, a shortened (30 day) certification will be used. A 30- day Certification may be used for applicants/participants that have one qualifying nutrition risk and can present any two of the three required proofs (proof of residency, income and/or identity).

Frontline Staff Activities

I-WIC Training – FRONTLINE

Income Information Tab

1. The system checked the “include in verification checkbox” because the child was marked onsite, and income is required for the appointment.
2. Check the **Household Not Participating** in any programs box.
3. Click the **Add** button below the Income grid. Select the **Interval**; type in the **Amount**; and select appropriate **Documentation**.
4. Enter the **Household Size**.
5. The Annual Income field will turn red.

KEYPOINT: This is your opportunity to review the annual income amounts and household size to verify that they were entered correctly. If there was a mistake, correct it to remove the red highlight.

KEYPOINT: If the household were adjunctively eligible, the maximum income limit would not be applied.

6. Click **Save** button.
7. A pop-up will display indicating that the household is over income. Click **OK** to dismiss the pop-up.

KEYPOINT: Notice that the **NEXT** button is not activated and will not work. This is because the applicant is at the HH level.

8. Move to the **Toggle Box** to select the child at the participant level.
9. Click the **Next** button.

Field	Value
Household not participating in any programs	√
Interval	Monthly
Amount	\$3000
Documentation	Paystub
Household Size	2

Participant Info

KEYPOINT: Although the Household is over income, staff must complete the required fields on this screen for each family member applying to document as part of the WIC application process.

1. Since this child is ineligible, **mark** the **declined checkbox** for Second Parent.
2. Ask the question, **“Is this Participant Hispanic or Latino?”** Select as appropriate.
3. For **Race**, select one or more.

Field	Value
Hispanic/Latino	Your Choice
Race	Your choice

I-WIC Training – FRONTLINE

KEYPOINT: The system auto filled “Over Income” in the Reason for Ineligibility field on the Participant Info Screen.

4. Select a **Proof of Identity** from the drop-down.
5. Select **Save**.
6. From the Guided Script, select **Referral**.

Child - Proof of Identity

Birth Certificate

Referrals – Child

KEYPOINT: The Referrals screen allows staff to give participants access to additional community resources based on their needs. The Local agency is responsible for developing the Local Referral List. Check with your WIC Coordinator regarding your agency’s referral list.

1. Click **Add** to enter a referral for this participant.
2. Click in the **type** box and select individual.
3. In the referred to column **select from the drop-down list**.
4. The **Referred** column is for participants being referred to a specific program. **Declined** is for those who decline the referral and **Enrolled** is for those currently participating in a select program. For this scenario check the referred box and select **Save**.
5. To generate a referral letter to a specific community resource, **select the row in the grid** and click the **Community Resources Button** at the bottom of the screen. The Community Resources popup appears.
6. Select the **Resource** and **close** the popup.
7. From the Guided Script, Select **Print Documents**.

Field	Value
Type	Individual
Referred to	Food Assistance Program
Community Resources	Springfield Area Services

Print Documents

(You will not print for this scenario; the instructions are provided for your information).

1. Select **Referral Notice**, then click the **Preview** button to display and print.
2. Select **Ineligibility/Term Notice**, click **Preview** button to display and print.

KEYPOINT: At the agency, staff will print this notice, complete the form, sign, and obtain applicant signature. After completion, the form is scanned back into the system and the original copy is given to the applicant.

3. Click on **Search** or the **Binoculars** to exit the record.

I-WIC Training – FRONTLINE

Scenario 4: Secondary Education Appointment (WIC Health)

A participant has completed an online WICHealth lesson and walks into the WIC Office today to get benefits for her child.

Search for Your Assigned Participant

(Use the participant that was assigned to you)

1. Access the **Search** screen by clicking **Search** in the Scheduling Tasks jellybean or clicking on the **Binocular's Icon** in the toolbar.
2. In the **ID Field**, enter the **ID Number** for your assigned participant.
3. Click **Find**.
4. Click the **Select** button at the bottom of the screen to select the Participant and move to the Household **Summary** screen.

Field	Value
Search By	ID Number

Mark Onsite

Mark the returning walk-in Onsite for a **N/ED** appointment.

1. Click the **Mark Onsite** button at the bottom of the **Household Summary** screen to **Mark the Applicant Onsite**.
2. On the popup, click in the **Service** column to access the dropdown and select **N/ED**.
3. Click the **Close** button to save the screen.

Field	Value
Services	N/ED

Household Information Tab

1. From the **Guided Script** jellybean Select **Household Info**.
2. **Verify/Update** address, phone, etc...as applicable.
3. Select the **Service Location** button. Click **Add** to select the appropriate choice from the list. **Save and Close**.

KEYPOINT: Service Location: refers to the location of the CPA and the HOH / participant. The "frontline" dropdown would only be used when the CPA is not involved.

4. Click the **Save Button**.

Field	Value
Service Location	Frontline

I-WIC Training – FRONTLINE

KEYPOINT: At this point Frontline Staff would ask the participant “Would you like to make any changes to your benefits?” and “Do you have any questions for the WIC Nutritionist today?” If she answers YES to either question your next step would be to close the record by selecting the search binoculars. The participant is now ready for the CPA to make any changes and answer any questions.

If they answer NO to the questions, you may continue to verify the N/ED Screen documentation, issue benefits, and schedule the next appointment as applicable.

Nutrition Education

(You will not do anything on this screen for practice; the instructions are provided for your information).

1. Select **Nutrition Education** from the Guided Script.
2. Verify that the lesson completed has populated.
3. Ask the participant what questions or concerns they may have about shopping for WIC Foods or using their EBT card. Then you can issue benefits until the next WIC appointment (per policy).
4. From the **Guided Script**, Select **Issue Benefits**

Field	Value

Issue Benefits

1. Make sure the **Issue column** is checked.
2. Click the **Preview** button to make sure the food package items, quantities, and dates are as expected.
3. Click the **Issue Benefits** button. **EBT Transaction Completed Successfully** appears in the bottom left corner.
4. Click **Next** to move to the **Schedule Appointment Screen**.

--	--

Schedule Appointment

1. **In the NEW Appt** column, select the **appointment type** for the participant. (Refer to I-WIC Appointments Document).
2. The duration time defaults to the standard time based on the selected appointment type. You can adjust the appointment length by changing the **DUR** value.
3. Adjust the **Start Date** and the **End Date** to be within a few days before and on or shortly after the listed **BVT** date.
4. Adjust the **Start Time** and **End Time** if the household requests a specific time.

Field	Value
New Appt	MIDCRT
DUR	Adjust as needed
Start Date	A few days before BVT

I-WIC Training – FRONTLINE

5. **Uncheck Days** if the household indicates certain days are not available.
6. Click the **Search** button once all parameters are set. From the search results grid, select the row of the **Desired Date, Block of Appointment Time, and Resource.**
7. Complete **Appointment Note/Notification Note** as appropriate.
8. Verify the **Time**. It defaults to the start time of the selected row.
9. Click the **Create Appt** button.

KEYPOINT: The appointment information displays in the grid when the main Schedule Appt screen is displayed. There is also an Appointment created successfully notice in the status bar.

10. Click **Next** to Print Documents.

End Date	On or shortly after BVT
Appointment Note	If Applicable
Notification Note	If Applicable

Print Documents

(You will not print for this scenario; the instructions are provided for your information).

At your agency, you must print the **Family Shopping List** to give the household a detailed list of the authorized food items that they may purchase and includes the next appointment time and date.

1. Select the **Family Shopping List**, then click the **Preview** button to display. (You would print at your agency).

Ensure that the participant has the current Vendor List, and Food List.

Click **Binocular icon** to close the record.
